

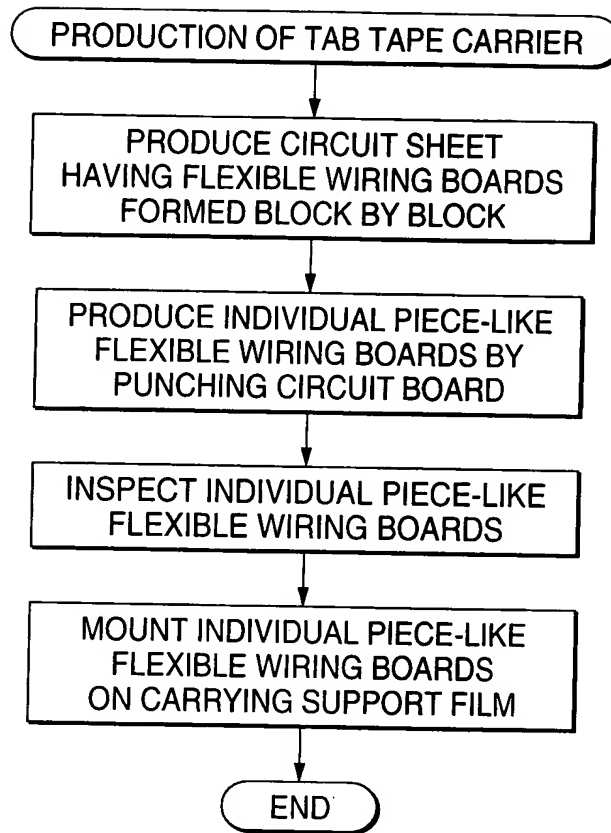

*FIG. 1*

A diagram showing a grid of square elements, each containing a smaller square with a cross-hatch pattern. The elements are arranged in a 3x6 grid. The top row is labeled '1' above the first, second, and third elements. The middle row is labeled '2' above the second element. The bottom row is labeled '1' above the third and fifth elements. Dotted lines connect the first, second, third, fourth, and fifth elements of the top row to the first, second, third, fourth, and fifth elements of the bottom row, respectively. The entire grid is enclosed within a larger rectangular frame.
